TALLAHASSEE – In preparation for Hurricane Irma, the Greater Tallahassee Chamber of Commerce is committed to keeping our local businesses and community updated on all necessary information. We have recently added www.talchamber.com/irma, accessible directly from our website to keep everyone informed of resources.

This link serves as an information hub for business owners, evacuees and Tallahassee residents. The page lists important phone numbers and links along with local restaurants, accommodation information and services. More information will be added throughout the weekend to keep the community informed.
